COHORT 2

IPLI graduates are invited to register for IPLI Extended Cohort 2. IPLI Extended is open to all graduates of IPLI, and each year the program will dig a little deeper into topics covered during the two-year IPLI experience.

On Thursday, September 24, 2020, and Monday, January 25, 2021, Phil Warrick from Marzano Research will present *Digging Deeper Into Level 2 of the High Reliability Schools™ Framework—Effective Teaching in Every Classroom*. Throughout the two sessions, participants will engage in an exploration of the process of teacher growth based on the six leading indicators for HRS Level 2. A clear focus will be placed on the concepts of leadership to implement, monitor, and sustain the six leading indicators.

IPLI Extended will also meet on Sunday, November 22, 2020, and will feature keynote speakers Rick Wormeli and Tina Boogren (originally scheduled for the Summer Seminar). This event is being held in conjunction with the IASP Fall Professionals Conference, but IPLI Extended participants do not need to be an IASP member or register for the conference to attend this event.
